MemoryLane
CARE SERVICES

Dear Caregiver,

Thank you for expressing an interest in the Adult Day Center. We have enclosed several forms.

1. The healthcare provider form should be filled out completely by the physician or other healthcare provider, including a diagnosis of dementia for the person who will be attending. It should also indicate a negative TB test that has been done within the past year (skin test, blood test, or a negative chest x-ray). The healthcare provider's office may fax the completed form to us or you may mail it.

2. Or, if you prefer that we reach out to the physician or healthcare provider for you, please fill out the release of information form, sign it, and return. Be sure to indicate the phone and fax number we should call.

3. Please complete the cost share application, making sure to sign and date on the back of the form.

As soon as all the completed forms have been received, we will call to set an intake appointment. The appointment is usually about one to one and a half hours to complete.

We look forward to meeting you. Please feel free to contact us at 419-720-4940 with any questions or if we may provide any other support.

Sincerely,

Gale Begley
